Compliance Comments

Rilya Wilson Act In efforts to meet HB 1435 requirements, the Office of Child Care Regulation has developed the attached Rilya Wilson Act flyer. This flyer outlines the providers responsibilities for ensuring continuity of care and reporting absences of children in out-of-home placement that are enrolled at their facility/home. This law effects all providers, not just licensed providers. Distracted Adult HB1079 amended s. 402.305(9), F.S. requiring operators of child care facilities and homes must provide parents with information pertaining to the dangers of leaving a child in a vehicle and tips for prevention during the months of April and September. Providers may create their own flyer or use the one created by the Department.
